Beazley Breach Solutions eLearning

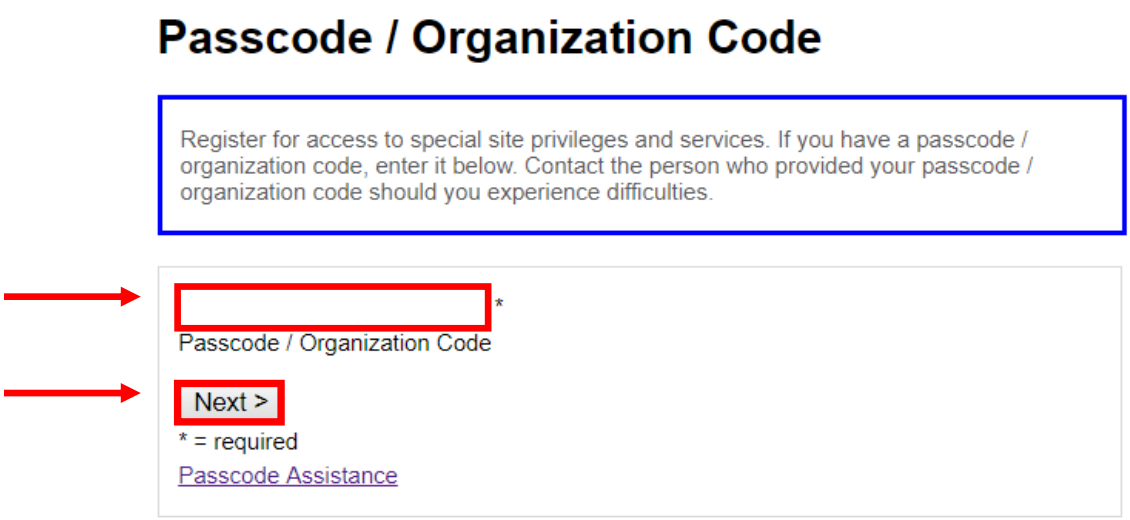
How to Make an Account and Access Trainings

➔ If you already have an account created and need to know how to access the trainings, skip to step 7.

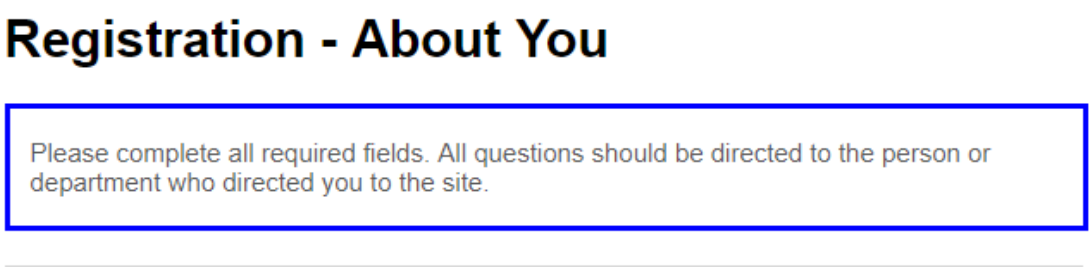
Account Creation

How to Register for an account

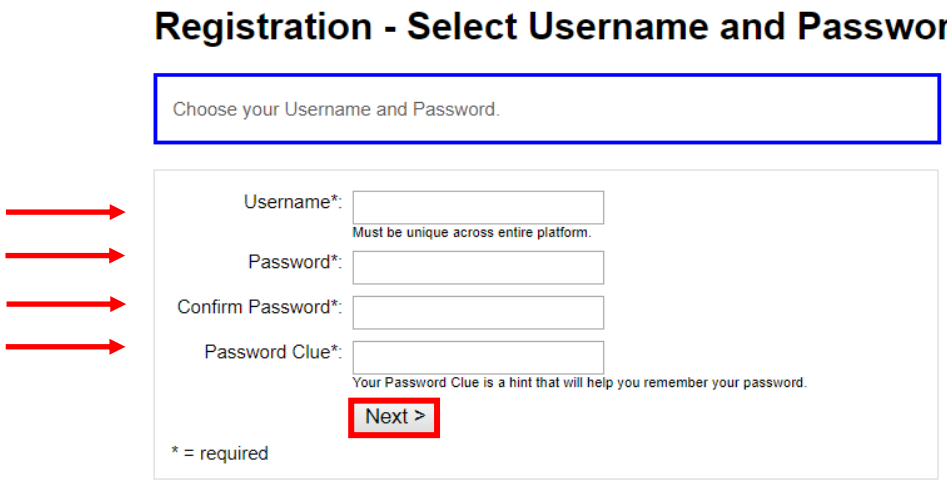
1. Go to this link which will take you directly to the Beazley Registration page
    a. https://elearning.beazleybreachsolutions.com/registration/register.htm
    b. Use this Code to Register: **51205-MZN8**



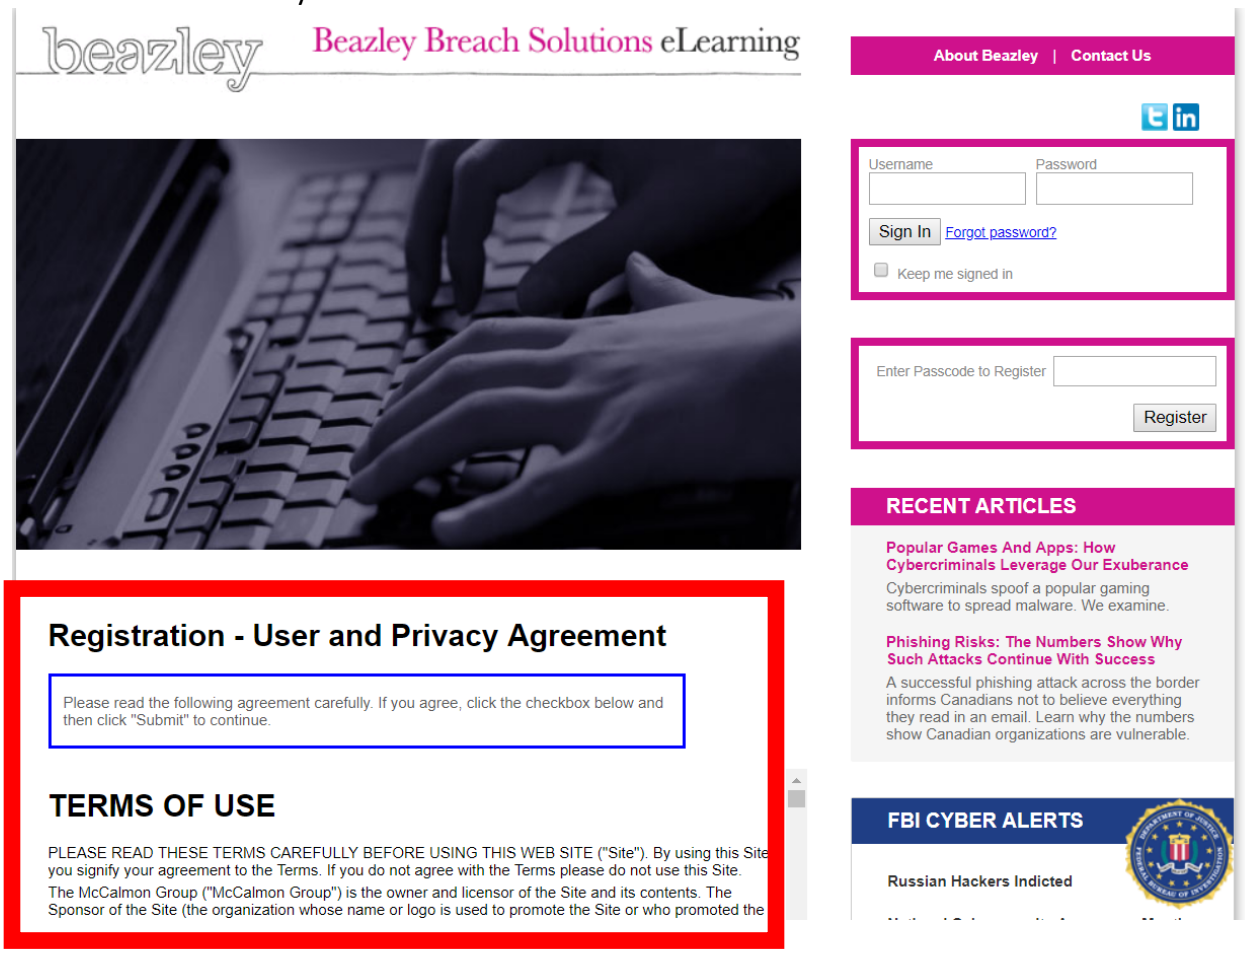
2. After you enter in the passcode, a registration page will come up and have you fill out your personal information.



3. After you fill out your personal information you will be prompted to set up a username and password.

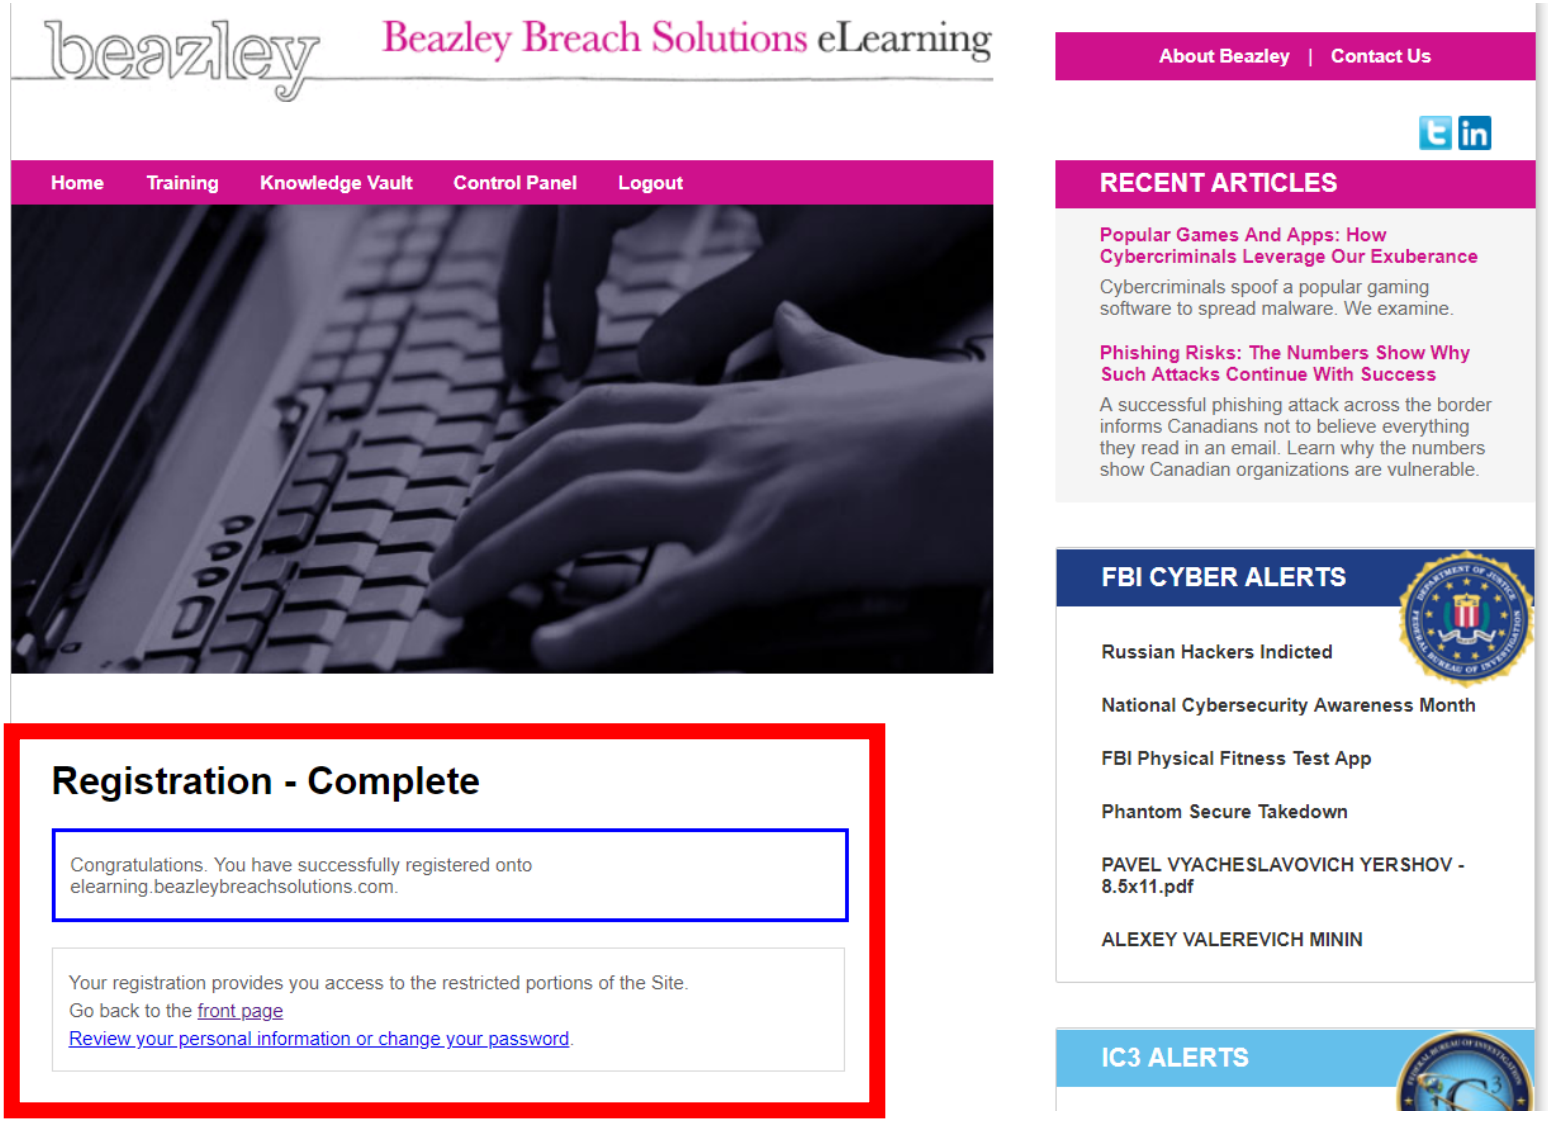


4. After you select a username and password you will be directed back to the main home screen for Beazley.



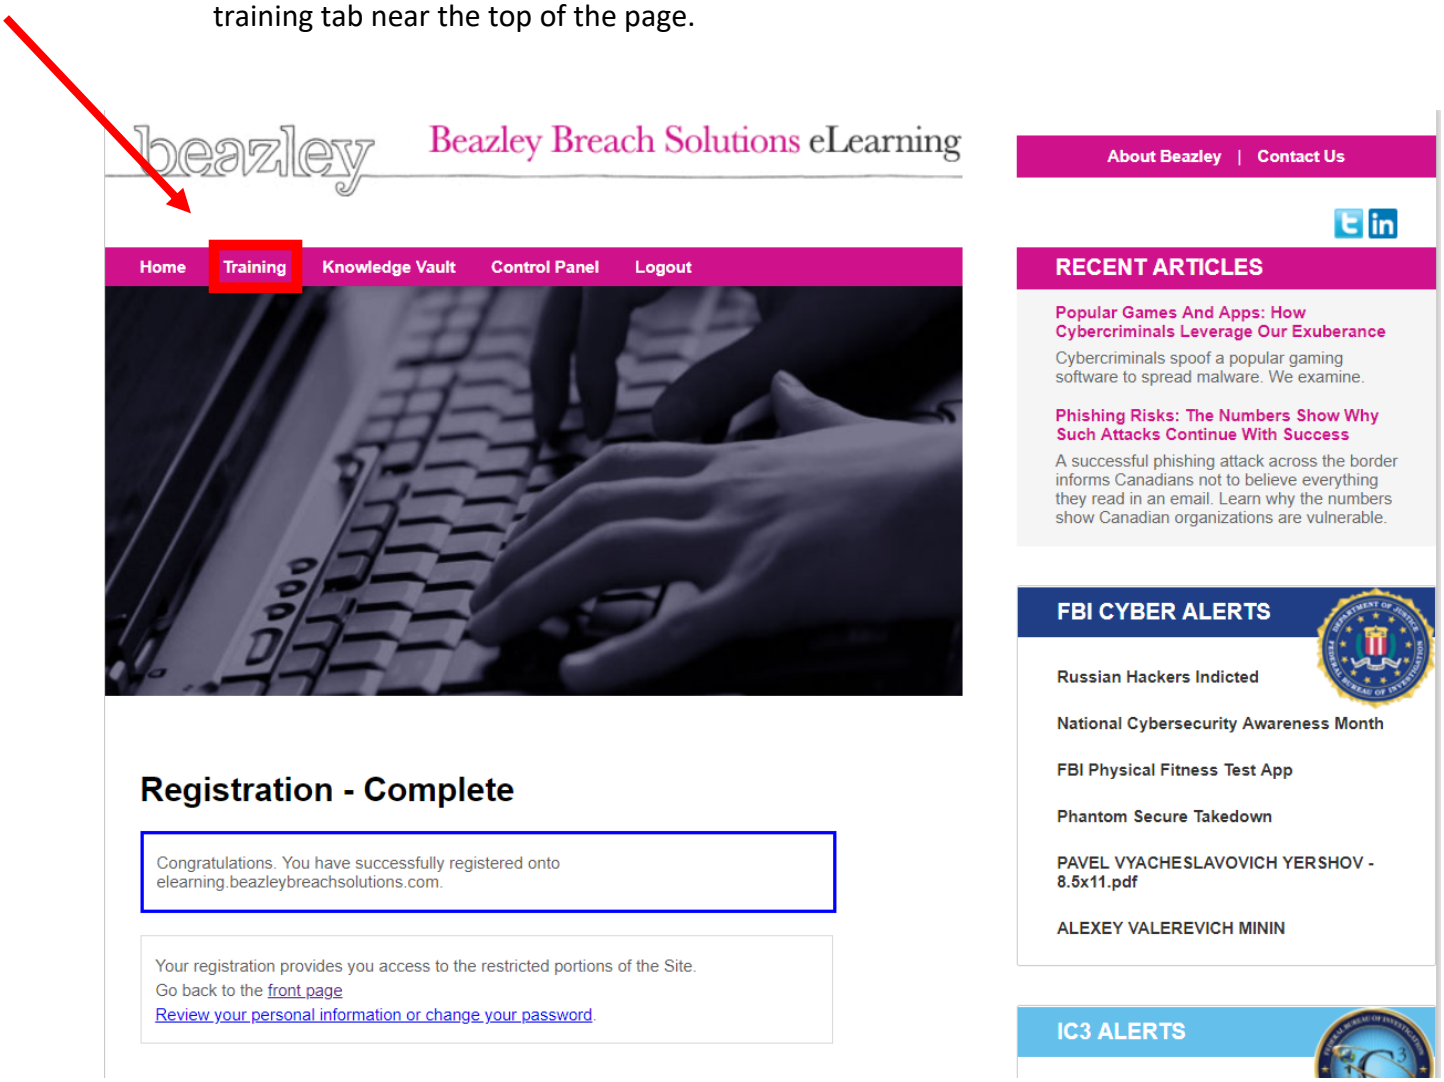
5. After you are redirected you will have to fill out the **User and Privacy Agreement** that is found on the lower left-hand side of the page (this location is shown in step 4 with a red box).

6. After you click the **“I agree”** button and then click the **“submit”** button the page will reload and say that you have successfully registered your account.

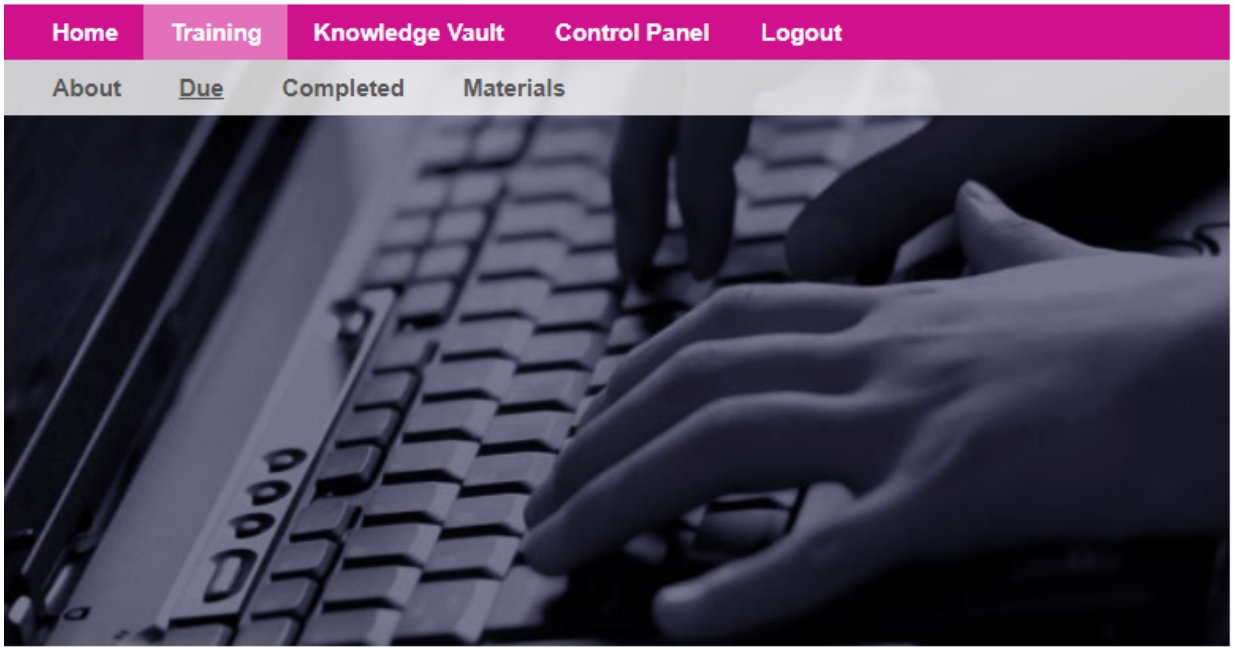


Accessing the Trainings:

7. You are now logged into your Beazley account. To find training that are due, click the training tab near the top of the page.



8. After you click that you will be redirected to a page that looks like this.



Training Due

Below are the web-based training courses assigned to you. All web-based training courses for this site are divided into lessons. Please note that your site administrator has set a date when your training should be completed and may be notified should you miss the date.

Title	Due Date	Past Due (Days)
